Year 4 Autumn Term

PE is every Monday and Wednesday. Please bring in reading books every day. Homework is due on Thursdays and new homework will be given every Friday.

Music

Music is taught by BYMT weekly. In Year 4 the children will be learning to play the ukulele. In addition to this there will also be singing assemblies, composing and listening sessions.

Computing

We will be using our Chromebooks for our computing lessons, where we will learn about systems and networks (such as using Google Docs, slides, forms etc) as well as coding.

Science

Our topic is called Digestion and Food, and this will include learning about digestion, human and animal teeth and how to care for our teeth. We will also be learning about sound and vibration.

Spanish

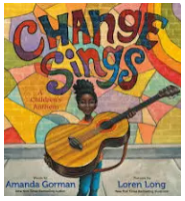
This term we will be recapping the unit, Journey around Latin America. Looking at forms of travel and revising the days of the week, whilst working hard on our pronunciation.

RE

This term we will focus on respecting different views, beliefs and religions by learning about Sikhism and the Bahai worldview among others.

English

Our core texts/films for this term are:
The Catch (film), Small world writing, Winter's Child (text), Remembrance Day and
Black History Month -Change Sings (text)



PSHE

Our PSHE topics are My healthy self, Connect with others, and The online world.

Geography

In Geography, we will be learning about why rainforests are important to us. We will discuss biomes, learning the 4 layers of the rainforest and then focussing on the Amazon Rainforest.

History

Our History topic is about how children's lives have changed over time, with a focus on what children's lives were like during Tudor times.

Art/DT

In Design and Technology we will be designing and making our own slingshot cars. For Art we will be exploring tone, texture and proportion to create realistic drawings.

Maths

This term we will learn about Place Value, Addition, Subtraction, Multiplication, Division, Measures and Data.
