Consultation on Admissions Arrangements for 2028/2029 – Poverest Primary School

Dear Parents,Guardians,

I am writing to inform you that Poverest Primary School is undertaking a formal consultation on our admissions arrangements for the 2028/2029 academic year.

We are contacting all local schools in the London Boroughs of Bromley as part of our statutory consultation with other admission authorities and neighbouring local authorities.

Why we are consulting

The School Admissions Code requires admission authorities to consult whenever changes are proposed to admissions arrangements, or to consult at least once every seven years even where no changes are planned. Consultation must last a minimum of six weeks and take place between 1st October and 31st January in the determination year.

What change is proposed?

We do not propose any changes to our admission arrangements for the year 2028/2029.

Consultation period and how to respond

The consultation will run from Monday 9th November 2026 (no fewer than six weeks). During this period, the full draft admissions policy for 2028/2029 will be available on our website and paper copies can be provided on request. We would welcome any comments from you or your governing body/trust.

Responses should be sent by the close of the consultation period to: Email: admin@poverest.co.uk
Subject line: “Response to admission consultation”

Next steps after the consultation closes

Our schools Governing Body will consider all responses received before determining the final admissions arrangements for 2028/2029. The determined policy will then be published on our website and shared with the relevant local authorities in line with the statutory timetable.

Thank you in advance for your time and support. Please do circulate this consultation information within your school community if you feel it is helpful, so that any interested families are aware of the opportunity to comment.

Yours sincerely

Mr Haylock
