

Dear Parents/Carers

BUILDING WORKS

We have now had confirmation that our building works will begin on Monday 26 June.

Initially this will mainly affect the top entrance area to the school and the ASD playground entrance. Lorries will be using Tillingbourne Green to enter the school premises in to the current car park area. As such, they are asking that we abide with any coned off areas when we are parking.

These works mean that there will be more cars looking for parking spaces in the area and so we suggest that you take the opportunity to look at walking to school or using public transport where possible.

More information will be sent out next week.

Ash Class

In Ash Class this week we ate our first strawberries from our garden. We are enjoying our garden and we water our plants every day. We are looking forward to our first harvest of beans and tomatoes. We will keep you posted.

Holly Class

Holly class have been learning to measure in Maths. We made cocktails and measured out ml of fruit juice and lemonade! Here we are enjoying the cocktail!

Summer is here so please remember to put sun cream on your children before they come in to school. The school caps are now available at the school office at a cost of £4.50.

Thank you to everyone that visited our book fair. We managed to raise over £200 to spend on books in the school. Last time (term 2), we raised over £350 which was used to buy new books for the Reception Classes, Year One and new dictionaries for Year Three and Four. In Term One, the money raised was spent on books for Year Six, Year Two and Year Five received new dictionaries.

During our sponsored read in the Spring Term, we raised over £1200. Thank you all for your support especially those that raised a large sum of money. The money has been used to buy a Reading Shack for the playground area. Inside, there will be a range of boxes with books in for children to read at break or lunchtime. As always, thank you all for your continued support in improving our school.

Mrs Collinstone and Miss Hann.

Hazel Class

This week Hazel class have spent a lot of time outside in the beautiful weather! We have explored 'nibbled' plants in our Forest School area and

thought about what insects could have been eating them. We have been measuring in Maths and have made our own fruit cocktails!

Tree of Success

Well done to Olion, Khloe, Nathan, Ruby, Maya, Casey, Jacob, Tiana, Oskar, Tristan, Jayden, Christopher, Damian, Joanne, Phoebe, Billy, Michael who gained a place on our Tree of Success this week.

Willow and Walnut Classes

This week we were ordering bus stop numbers as part of our week learning about England

Elm Class

Elm class had a scary morning yesterday. After a short bus and train ride, we arrived at Chislehurst caves.

Our tour guide, who we later found out was a former Poverest pupil, led us around the caves. We found his tales of life during WW2 in the caves extremely interesting and sometimes petrifying!

Lion King

On Wednesday children from Year 5 and 6 had a 'roarsome' time at the Lyceum Theatre in London watching the Lion King. All the adults would like to commend the children on their impeccable behaviour and politeness to the public on the trains. They were a pleasure to take and made the afternoon all the more amazing!

Reception and KS1 Sports morning will be held on Thursday 29 June from 9.30am-12pm.

KS2 Sports morning will be held on Friday 30 June from 9.30am-12pm.

Fir Class

Year 4 have been creating sea views from a porthole using a milky material surface and pastels. The views are very effective and shows how imaginative they are. Well done Year 4.

All of us at Poverest wish you and your family a sunny weekend.
