

THEME PARK

YEAR THREE

PROJECT

This week, Year 3 will be designing their own theme park!

Each day, you will be given a Writing and Maths task based around designing a theme park. The afternoon activities will be based around theme parks also.

We hope you enjoy this activity for your last week of Year 3.

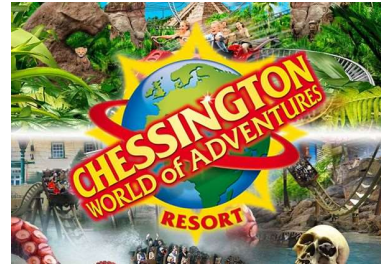

Good luck!

Reading Activity

Please continue to read your own book.

Writing Activity

You are going to be designing your own theme park.
Think about the theme parks which already exist, here are some examples below:

Today, you need to think of a name for your Theme Park and it's theme.

You need to decide whether you will design your theme park for young children, older children or adults.
Once you've decided, you need to pick a theme for them. Will it be based around a film or tv show? Or will you base it around food, countries of the world, famous people etc?

My Theme Park will be named:

The Theme Park will be for: (age)

The Theme of the park is:

Maths Activity

You have been given a budget of **£10,000** to spend. Below is a list of objects which you can buy for your theme park. There are some objects you **HAVE** to have so you must include these in your list but some you can choose.

Small Rollercoaster
£1,000

Large Rollercoaster
£3,000

Water Ride
£3,500

Main Castle
£1,000

Toilets
£250

Burger Stall
£500.00

Ice Cream Stall
£300.00

Hot Dog Stall
£500.00

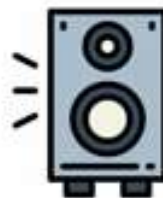

Drinks Stall
£600.00

Bunting
£100.00

Bubble Machine
£150.00

Music
£400.00

Characters Walking Round
£2,000

Sweet Machine
£50.00

Doesn't have to be Disney based.

You MUST have:

- 1 set of toilets
- 1 food stall (you can choose the type)

Item	Cost	How Many?	Total
<i>Eg - Toilets</i>	<i>£250.00</i>	<i>4</i>	<i>£1,000</i>

If you are buying more than 1 of an object, you must times 'how many?' by 'cost' to calculate the total.

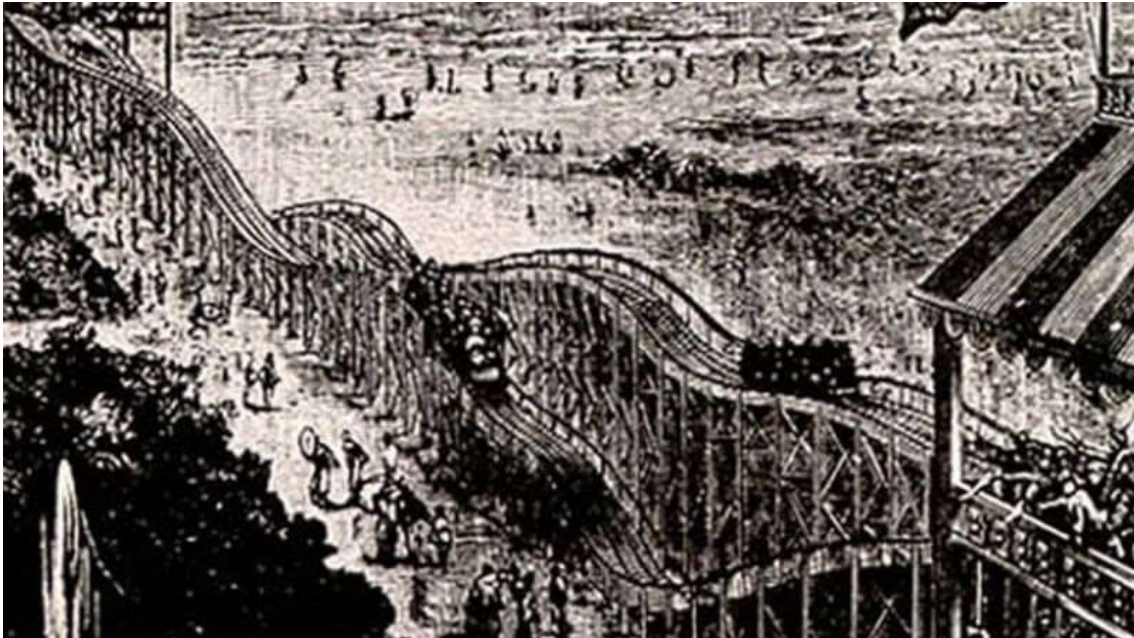

You are allowed to use a calculator (if you wish) as we are looking at your budgeting.

Afternoon Activity

World Record Rollercoasters

The world's first rollercoaster opened on 16th June 1884 at Coney Island, New York, America.

It was called the Switchback Railway and used the same technology as trains to climb steep hills.

Click this Newsround link to find out about World Record Rollercoasters!
