Dear Parents/Carers

## **Ofsted Report**

We are delighted to share with you our new Ofsted report. We are pleased that Ofsted have recognised the many strengths of our school and it was a real pleasure to share the day with the inspectors.

Due to a short inspection, there were limits to what the inspector could include in his final report. We wanted to share with you some of the other comments Mr Hughes made during the final feedback meeting. He praised the exemplary behaviour of the pupils at Poverest Primary and their ability to articulate their learning to him. Mr Hughes felt that the staff at Poverest offered the children an enriched curriculum, supported with a wide range of visits and learning opportunities. Finally, he found that the school had an atmosphere which was conducive to a safe, happy and positive learning environment.

We would like to take this opportunity to say a big thank you to all of you, as we share the role of educating our children and we could not have achieved this outcome without your support for your children and our school.

Yours sincerely
