

Year 1, Autumn Term

PE is every Wednesday and Thursday.

Reading records are stamped and books are changed once they have been read twice.

Computing

We follow the Teach Computing scheme to develop our computer skills. This term we will learn about the technology around us. We will also be using the Ipad to practice digital painting.

Art/DT

We will follow the Kapow curriculum. In art we will be focusing on learning the basic art and design skills. In DT we will be constructing windmills and testing them ourselves!

Maths

In the Autumn term we teach a range of topics. We will cover place value, addition and subtraction, shape, money and time!

Music

Music will be taught by Becky every Thursday.

RE

Our first RE topic will be called 'Special People'. We will be thinking about the special people in our lives and other peoples.

History

Our history topic this term is based around nurses. We will be discovering and comparing what life was like for Florence Nightingale and Mary Seacole.

Science

This term we will teach the days, months and seasons of the year. We will observe the changes between Autumn and Winter and plant seeds in preparation for the Spring!

English

This term we will be reading 'Orion in the Dark' and we will write letters about our own fears and feelings. We will also be reading 'Billy and the Beast'. We will learn about adjectives to write descriptions of the Beast!
