

## Music

Music is taught by BYMT weekly.

In Year 6 the children will be completing a music project. This will involve composition, lyrics and the use of online music composition such as Garage Band. In addition to this there will also be singing assemblies, as well as composing and listening sessions.

## Computing

In Computing this term the children will explore how data is transferred over the internet. Learners initially focus on addressing and data packets. Learners then look at how the internet facilitates online communication and collaboration; they complete shared projects online and evaluate different methods of communication. Finally, they learn how to communicate responsibly by considering what should and should not be shared on the internet.

## Science

We will learn about Animals Including Humans, looking at the human circulatory system as well as the impact exercise and drugs can have on our bodies. We will also be learning about Evolution and Inheritance, exploring how animals, including humans have evolved over time.

## Spanish

This term we will focus on basic vocabulary and how we present ourselves to others.

# Year 6

# Autumn Term

PE is every Monday and Friday.  
Please bring in reading books every day.  
Homework and reading records (with a minimum of 5 signatures) are due on Friday.

## English

Our Core texts for this term are The Grimm Tales, Zombierella, Revolting Rhymes, and The arrival. Using these texts the children will write for a variety of different audiences and purposes, including newspaper articles, persuasive letters and diary entries.

## RE

This term we will focus on the big questions as well as exploring how different religions believe the earth came to be.

## PSHE

Our PSHE topics are Being Me in My World and Celebrating Difference. We will cover various issues such as Rights and Responsibilities, Democracy, Cultural Differences and Racism. Oak class is also learning mindfulness through a course called Paws B. (Olive Class will complete this in the Spring term)

## Topic

Our topic this term is Earth Matters. This is a geography based topic where we will explore natural disasters, the water cycle, coasts and rivers, mountains, volcanoes, earthquakes, climate zones and biomes.

## Art/DT

We are following the Kapow curriculum where we will be designing and making Waistcoats and learning various photography skills through art

## Maths

This term, we will learn about Place Value,  
Addition, Subtraction, Multiplication,  
Division and Measures and Data.
