

Dear Parents/Carers,

We are Sportacus, providers of top-quality extracurricular clubs at Poverest primary school. We would like to offer our warmest welcome to you all.

Please find attached the exciting timetable for the upcoming Spring term.

### **Performing Artz Club**

We continue the amazing work we have been doing with all of our talented performers using games and routines designed to build self esteem and confidence in a fun and encouraging environment.

### **Lego Club**

Build your way through a series of weekly tasks and themes on your route to becoming a Lego master builder. Plan, create and collaborate in this fun classroom based session.

### **Elite Football**

Join the team of elite footballers every Tuesday morning and develop your skills with our FA qualified coaches. These Elite sessions delve further into individual ball control, technique and football tactics.

### **Multi Sports**

Join us in our new multi sports club and play a different sport or game each week. This is a great club if you like trying new sports and enjoy the challenge of learning new things on your own or as part of a team.

### **Table Tennis**

Children of all ages can benefit from playing table tennis. Not only by burning some of their sometimes-limitless energy but also from the focus and control needed to play and the social side of the game too.

### **Dodge Ball**

Our Dodge ball sessions are energetic, action packed and very exciting. We play a different version of the game each week and no two sessions are the same.

### **Football Club**

Let's kick off the new term with some fresh football sessions lead by our FA qualified coaches. We want to work on your existing skills and develop new ones through engaging and innovative sessions.

**Sportacus pride ourselves on inclusion, so our clubs are open to all year groups and will be split into age/ability appropriate groups for maximum enjoyment and safety.**
