

Sports Premium Spending 2023-2024 Report

During the 2023/2024 academic year Poverest Primary School has received £19,660 as a Sports Premium.

Within Poverest Primary School all children take part in at least two hours' physical education per week. Sports Premium money is used to improve the quality of PE and ensure all children are engaged in quality physical education. PE and Sport is valued and promoted across the school. Children, parents and staff gain an improved confidence, knowledge and skill set in participation and teaching of physical education.

The table below shows the number of children who took part in extracurricular activities either before school, at lunchtime or after school last academic year 2022-2023.

Term	% of Children in at least one club	% of Pupil Premium children in at least one club	% of Non Pupil Premium children in at least one club
Autumn	243/432 = 56%	73/134 = 54%	170 / 298 = 57%
Spring	319/428 = 75%	85/131 = 65%	234/297 = 79%
Summer	275/432 = 64%	80/131 = 61%	195/301 = 65%

This overview includes money spent and forecast spending during the 2023/2024 academic year.

Total planned expenditure: £19,690

	Actions to Achieve	Funding Allocated	Evidence and Impact	Percentage of total allocation
Sportacus Coaching	Increase daily minutes of Physical Activity. Pre-school, lunch and after school clubs.	£2500	Children are participating in physical activity beyond PE lessons. Ensuring children are working towards 60 minutes of physical activity per day.	13%
Top Up Swimming Summer term 2023	To have 100% of year 6 children able to swim 25 meters independently.	£680 20 places £34 each place	Children develop all swimming strokes. Children learn basic water safety and lifesaving skills.	3%
Lacrosse	After school club Teach Year 4 Lacrosse in the Spring Term (possibly Yr3 in the Summer Term)	£40 per hour for 10 sessions £800 £80 for two hours per week - 13 weeks £1040	As we got to the finals this was a free club in the Autumn term. We want to continue this club to try and make the finals again this year. Years 4-6 have had Lacrosse in the Autumn term for free as we secured a grant for this. We want to continue this sport for our children as they are enjoying it. We would also like to include Year 3 if possible so that all children in KS2 have had the opportunity to play Lacrosse.	4% 5%
Tennis Coaching Summer Term 2023	Park Langley Tennis to deliver 10 sessions to classes in KS1 & KS2	10 sessions £1286	Building links with external sports clubs. Children gaining key tennis skills and techniques.	7%
Full time PE specialist (Andy)	Employing a PE specialist to deliver quality PE and extra-curricular activities.	£6000	Children experiencing quality PE. Developing a varied and wide range of PE activities.	30%

	Actions to Achieve	Funding Allocated	Evidence and Impact	Percentage of total allocation
Cross Country Entry	Entry in the Bromley Schools Cross Country	£120 Nov 23 March 24	Children have the opportunity to compete in the biggest Primary School event in the UK.	0.6%
Outdoor Adventure Activity equipment and staff training	Orienteering map of the school site drawn to British Orienteering standards. 20 x red & white permanent orienteering plaques 1 year membership to the app and web portal. Staff training	£1,299 Staff training £500	When the children scan the permanent plaques, the system records the time taken. In return, the children can record their own content before moving onto the next plaque. As it's a digital system, it tracks the distance covered, time spent and number of pupil's active in your school, making it an easy way to evidence the impact of outdoor learning.	7%
MDS training	Lunch time staff are developing leadership skills in order to lead lunchtime games.	£540	Positive experiences for children during Lunch time. Children can apply what they have learnt in P.E independently and the number of behaviour incidents has reduced. Increased physical activity.	3%
Minibus Costs	We are able to take children to sports events during the school day.	£1500	Shared hire, Mileage costs & petrol so that more children can attend sporting events.	8%
Clothing	To promote the school during sports events staff will wear clothes with the school logo.	£513	T-Shirts/Hoodies/Waterproof jackets. School logos are important because they serve as a visual identity and representation of a team	3%
Purchase gym bars	To provide a range of gymnastic exercises that work all core muscle groups.	£812	To improve children's balance, posture, coordination, muscle tone and strength.	4%
Dance training for staff and resources	Find a scheme of work or dance teacher and purchase resources to support this	£2500	Children that take up dancing regularly can significantly improve their fitness, wellness, flexibility, strength and stamina.	13%

Total:£19,690
