

Reception Spring 1 - TRANSPORT

Literacy

We will be reading a range of books based on different types of transport and focussing using our phonics to spell independently.

Maths

We will be focussing on subitising and representing numbers 0-5, comparing mass & capacity and odd and even numbers, 1 more/1 less and doubling to 8

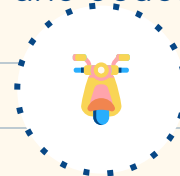

PSED

Our main focus in PSED will be all about listening and following instructions.

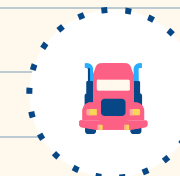

PE

In PE we will focus on playing team games with Mr Duffin.

UTW

Our main focus will be looking at old and new types of transport and comparing them. We will also learn some map skills.

EAD

This half term we will be designing and making our own boats for our DT project.
