

Summer 2 - Traditional Tales

Literacy

Most of our Literacy lessons will be based on the story 'Little Red'. We will be writing character descriptions, adverts and speech bubbles. We will also be exploring the story through role play. We will be reading and using a range of traditional tales for our classroom activities. We will then read a range of traditional tales and explore story writing.

PSED

As we will be preparing to leave reception to join year 1, in our PSED sessions we will be focusing on our wellbeing and healthy ways to manage our emotions.

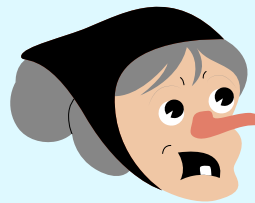

PE

During the last term in reception we will be preparing for our first Sports Day! This means that throughout our PE lessons we will be exploring athletics.

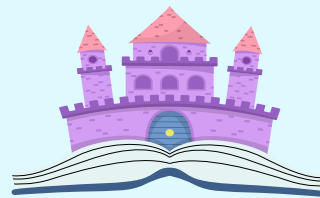

Maths

During our Maths activities we will be consolidating what we have learnt throughout the year focussing on our Early Learning Goals and describing positions of objects through pattern and map making.

UTW

We will be exploring traditional tales re-written from a different cultural perspective and compare it to the tale we originally read. We will also be looking at items which were associated with kings and queens.

EAD

We will be looking at musical stories in our music lessons whilst during our DT sessions we will be learning to make our own bookmarks!
