

### DT-

Moving mechanism  
We will be creating a ferris wheel. We will plan, design and create a moving wheel following a specific design brief

### History-

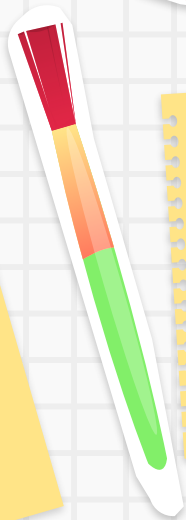

How did we learn to fly?  
Amelia Earhart, the Wright Brothers and Bessie Coleman are all significant historical figures who we will learn about and how they changed how we travel today.

### Geography-

Why is our world wonderful?  
Our local area, oceans and amazing areas of the world is what we learn about in this topic. We will enjoy fieldwork activities throughout this topic to learn why our world is wonderful.

### RE-

How do we know some people have a special connection to God?  
Exploring how we know that some people are believed to have a special connection to God through looking for clues in religious stories.

### Art and Design-

Craft and design: Map it Out.

We will learn to explore and create maps through various art forms, including drawing, felt making, printmaking, and designing stained glass. The lessons aim to develop skills in sorting, designing, and evaluating art, encouraging students to present and discuss their creations in a class gallery setting. Use this unit hub to inform your medium-term plan and to navigate to related resources

## Year 2 curriculum map

### Maths

The topics we will cover are:

- Money
- Multiplication and division
