

Calling all Pupils Interested in Plants and Design!

It is time to get your thinking caps on for our planter entry into Bromley Floral Fest 2021.

The theme this year is a '**Celebration of our School Community**' – particularly in light of the last year's events. This could reflect how the school has stayed in touch during Lockdown, how the school has celebrated being back together, a particular initiative the school is working on at the moment or another way that our school's community has shone.

Prizes will be given to the winning schools by the judges for:

- Most Creative
- Best Use of Colour
- Best Horticultural Display
- Best Use of Theme

There will be a further '*People's Choice Award*' for the public's favourite.

Each prize will be a £100 voucher to spend in the Your Bromley BID business of the school's choice.

The closing date for design entries is noon on Wednesday, 26th May 2021 and your design should be handed in to your teacher. All the designs will be judged by Poverest staff and the winning design will then be planted up as Poverest's entry for the competition.

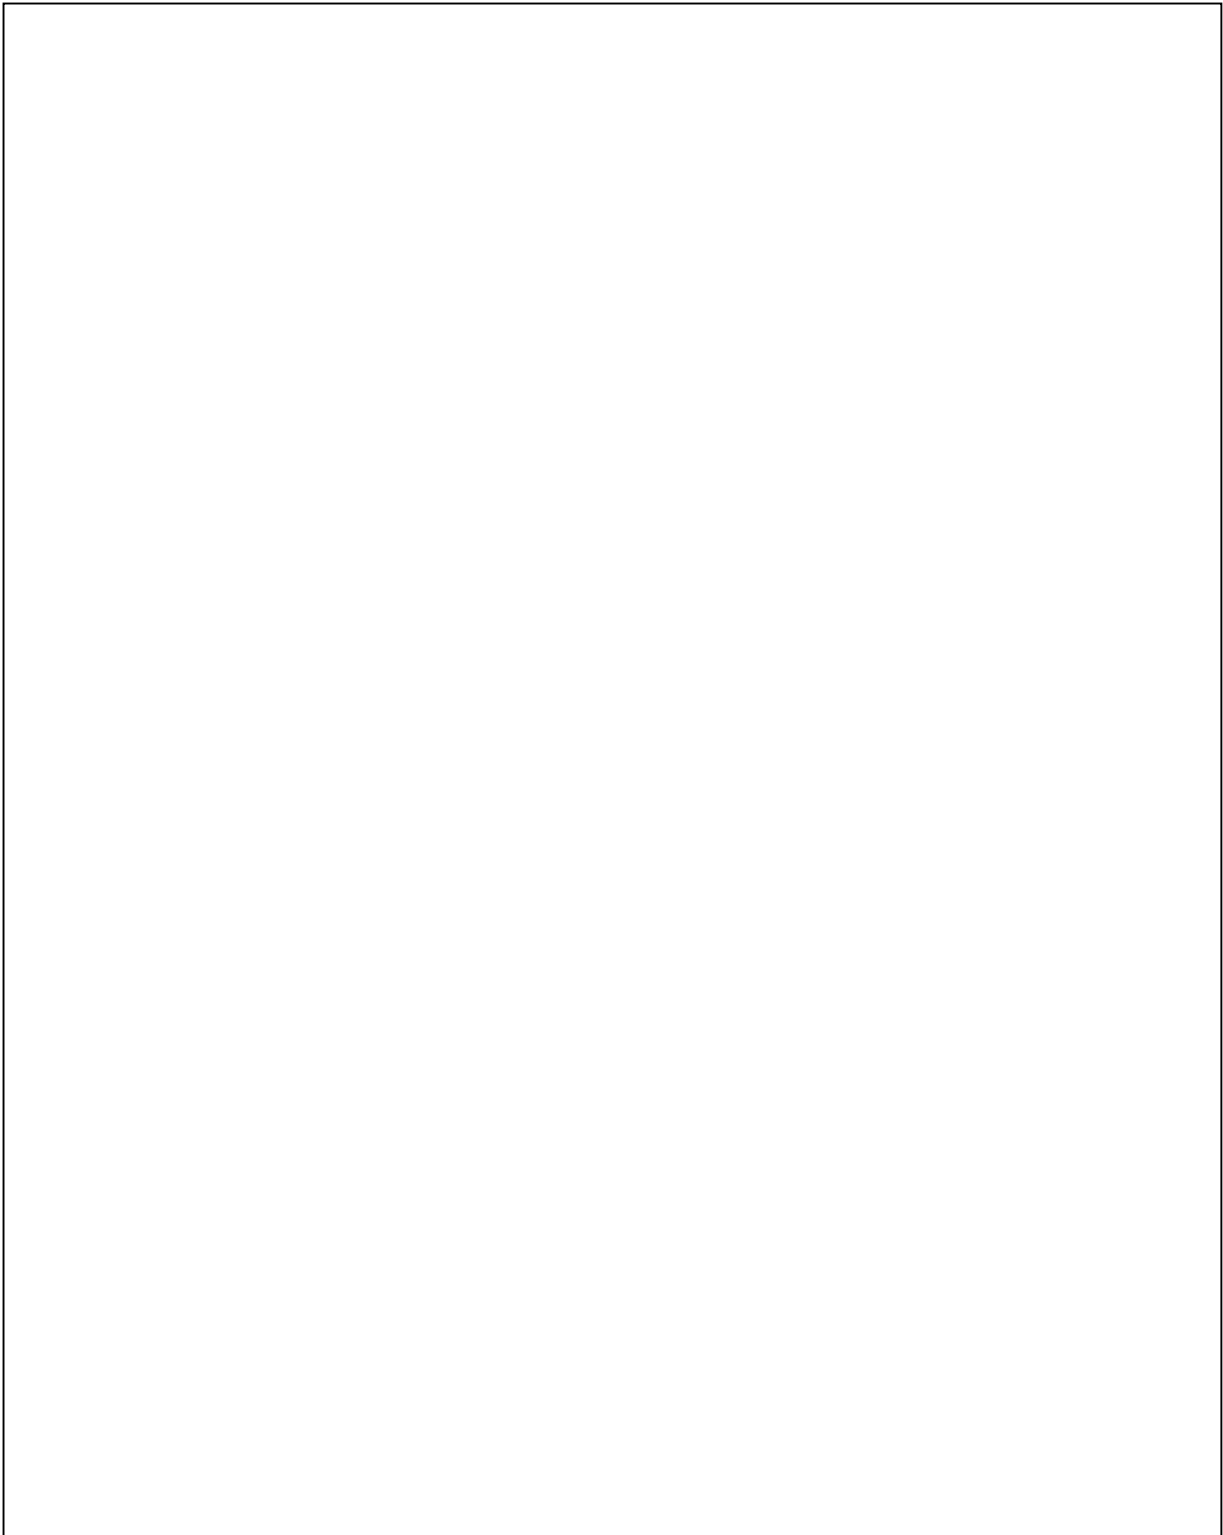

Entries from EYFS and KS1 pupils should be a colourful drawn picture with labels and entries from KS2 pupils should include a colourful drawn picture with labels and a paragraph describing the design contents and how it displays the theme of '*Our School Community*'.

Good luck with your entries,

Mrs Callaghan.
