

Year 2 Autumn Term

Music

We will be focusing on the skills of call and response, using instruments and musical storytelling.

Computing

We will use our new Chromebooks to learn about what a computer is, algorithms and debugging.

Maths

We use White Rose for Maths, where we will focus on place value and addition/subtraction.

RE (Religious Education)

This term we will focus on the question; how do we show thanks?

PE is every Monday and Wednesday.

Please bring in reading books every day.

Homework is due on Thursday.

English

Our main books for this term are Vlad & The Great Fire of London and The Minpins as well as studying poetry.

PSHE (Personal, Social and Health Education)

Our new PSHE topics include are transitioning from Year 1 to Year 2 and Families & Relationships.

History

We will learn about how school was different in the past.

Science

We will learn about Habitats and Microhabitats. We will also be going to Forest School every Tuesday to embed our learning.

Art/DT

We are going to be using mixed media to create maps based on our school in Art and in D&T we are going to be designing and making a chair for baby bear.

Geography

We will be investigating whether we would prefer to live in a hot or cold place.
