

### Geography:

We will be learning about the different seasons and weather in the UK.

### Science:

We will be learning about the different senses. We will also be visiting Willow birds of prey nature trail to support our learning on how to classify animals.

### History:

We will be learning about the history of toys. We have a toy museum coming to put on a workshop for the children.

### Music:

In music we have been learning about dynamics and sound patterns.

### Computing:

We will be learning about how computers need to follow commands and how to create a story using digital imagery (photography).

### RE:

We will be learning about what different religions believe about caring for the world and caring for others.

### ART and DT:

This term we will be making puppets in DT and learning about colour mixing.

### PE:

We will be doing gymnastics and outdoor sports.

### English:

Our main books for this term is:  
Julian is a mermaid  
The comet  
Leo and the octopus  
Yeti and the bird

### Maths:

In maths we are learning about place value and addition and subtraction within 50. We will also be learning about length and height and mass and volume.

### PSHE:

We have Gro health coming in to teach us all about keeping healthy.
