Dear Parents, Guardians,

Junior Citizen - 19th May 2026

To support our Year 6 students during their transition to secondary school, we have organised an engaging trip to Orpington Fire Station. The children will participate in various activities led by external agencies, including the police, fire brigade, and paramedics. These activities will focus on essential topics such as public transport safety, maintaining good health, mobile phone safety, first aid, and much more.

This is a complimentary trip; however, the children will require a packed lunch. Students are expected to wear their full school uniform, as they will be representing the school, and should also bring a water bottle. The workshops will finish around 14:45, and parents can either pick up their children from the fire station or we'll bring them back to school. Please express your preference on the slip below, along with your consent for your child to take part in this trip.

Kind regards
