6. A clear and concise description of your concerns: Please explain in detail what your complaint is about, including specific dates, events, and individuals involved where relevant. The more information you provide, the better we can understand and investigate your concerns.
7. Copies of any relevant correspondence or evidence: Please attach any documents, emails, or other materials that support your complaint. This could include copies of your initial request, our previous responses, or any other relevant communications.

Acknowledgement of Your Complaint

Upon receipt of your written complaint, we will:

1. Acknowledge your complaint in writing within 5 working days. This acknowledgement will confirm that we have received your complaint and that it is being processed.
2. Provide you with a unique log number. This reference number should be quoted in all future correspondence related to your complaint, as it will help us to track and manage your case efficiently.

We will investigate the matter in line with the requirements of the Data Use and Access Act 2025.

A full written response will be provided within **one month** of receipt of your complaint.

If more time is needed due to complexity, we will inform you in writing and explain the reasons for the delay.

Outcome

Our comprehensive written response to your complaint will include the following:

1. The findings of the investigation. This will clearly state whether your complaint has been upheld, partially upheld, or not upheld, and the reasons for this decision.
