

Year 3

Autumn Term

Music

Music is taught weekly. The children will be learning to perform Ballads and create compositions.

Computing

We will be using our Chromebooks for our computing lessons, where we will learn about systems and networks and the journey inside a computer.

Science

We will learn about Movement and Nutrition. In Autumn 2, our topic will be Forces and Magnets.

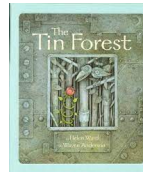

Spanish

In Autumn 1, we will focus on the basic Spanish vocabulary and greetings. In Autumn 2, our topic will be numbers and ages.

PE is every Wednesday and Friday. Please bring in reading books every day, as your child will be reading in class. Homework is given on Thursday and due on the following Thursday.

English

Our Core texts for this term are The First Drawing, BFG, Escape From Pompeii, and The Tin Forest. We will also study poetry linked to WW1 and Black History Month.

RE

This term we will focus on 'What Makes Us Human?'

PSHE

Our PSHE topics are 'My Healthy Self' and Paws B. Then in Autumn 2, 'Connecting with Others.'

History

Our History topic is 'Stone Age, Bronze Age, and Iron Age.'

Geography

Our Geography topic is 'Why Do People Live Near Volcanoes?'

Art and Design

Our Art and Design topic is painting with mixed media and developing our drawing skills.

Design and Technology

Our DT topic is 'Product Packaging.'

Maths

This term, we will learn about place value, addition, subtraction, multiplication, and division.
